WORKSHOPS - TOURS EXPLORE - CREATE - INSPIRE

Mongolia is one of the last hidden gems of the world: untouched, undiscovered, and full of unique, exotic traditions, unseen rituals, and unusual foods. It's a place where you can experience breathtaking landscapes, from dramatic mountains to canyons, deserts, dunes, red cliffs, and mountains, as well as crystal-clear rivers and lakes. The warm hospitality of the locals will touch you deeply. Our Mongolia photo tour takes you to nomads, eagle hunters, and monks, offering countless unique travel experiences from the steppes to the desert. **A paradise for landscape photographers!**
